hydrotherapy system
Tri-Zone™

electrical requirements
220-240V AC, 50 Hz.

weight dry/full
499/2296 Kgs.

My Show™ is a party just waiting to happen! Imagine watching a movie while relaxing in the spa. The theater seating design directs everyone toward the focal point – the E-Suite™ monitor. But the monitor isn't the only star of the show – the Captain's seat therapy arch is amazing! It pampers every inch from my neck down to my wrists and the sides of my knees. Plus, the two Adirondack chairs are just the spots for serious leg massages. My spa puts on quite a Show™.

 MARQUIS SPAS.
