MY SEATING DESIGN

A super deep soak seat with therapy pillar, a cool down seat, a deep therapy seat and multi-level seating.

MY TRI-ZONE HYDROTHERAPY™ SYSTEM

Tri-Zone Hydrotherapy™ delivers three levels of relief to my body in a single spa! The overall body setting provides jetting from neck to foot. The lower body setting jets work my thighs, calves and feet. The upper body setting jets deliver therapy to the areas most in need – my neck, shoulders and whole back.

MY COMFORT CONTROL SYSTEM

The waterproof Comfort Control panel features temperature, light, settings control and a convenient soak timer. Maintenance reminders are displayed on the LCD read-out to indicate when it's time to clean the filters or change the water. Settings lock keeps my temperature, filtration and heat settings safe, secure and tamper-proof.

MY OWNER'S PROTECTION PLAN

- 10 year structure

- 5 year plumbing, equipment, DuraWood and DuraBase

See Owner's Manual for the complete Owner's Protection Plan.
