

my rendezvous™

My Rendezvous™ is the perfect spa for tight spaces – it tucks into a corner and virtually disappears. Plus the 240V plug-and-play system is the ultimate convenience. I may not believe it at first glance, but two people can settle into this spa and get a great massage. The deep therapy seat delivers a soothing neck massage while my partner enjoys a seat of their own.

I may seek personal pleasure, but this is the perfect opportunity to Rendezvous™ with my partner.
